

**AMDDIFFYN
MYNYDD
EPYNT**

**AME is delighted to present a talk by
Lorna Brazell, Trustee of the Cambrian
Mountains Society,
entitled:**

**‘The invisible costs of renewable power:
bringing nature resilience into the calculation’**

**“If in attempting to mitigate climate change we weaken the
resilience of Wales’ residual biodiversity too far, restoring
healthy ecological networks may no longer be feasible”.
(Natur Cymru, Gaeaf/Winter 2025/26, p.51)**

**Refreshments from 6.30, Talk from 7.00
with Q & A afterwards
Places are limited with just 80 seats available
Send an email to express your interest**

**4th March 7.00 - 8.30pm
Penpont Stables
